

# PRODUCT LIST

We grow the freshest, healthiest and highest quality produce, using the most sustainable techniques, right here in Barbados.

 <p><b>REX BUTTERHEAD LETTUCE</b></p>	<p>Rex Butterhead is known for its smooth, tender, yet strong leaves, and mildly sweet flavor; it is an ideal ingredient for almost any meal, including salads, sandwiches, soups, smoothies and wraps.</p>
 <p><b>BAMBI-BIBB LETTUCE</b></p>	<p>Like the Butterhead, Bambi Bibb lettuce is dark green in colour, smooth in texture, crunchy and tasty.</p>
 <p><b>MIXED-LEAF LETTUCE</b></p>	<p>With its tender oak shaped, burgundy-red leaves and crunchy stems, mixed leaf lettuce can add colour and texture to any salad.</p>
 <p><b>MIZUNA LETTUCE</b></p>	<p>Mizuna is a slightly spicy Asian leafy vegetable; its leaves have a distinctive peppery flavor, and are typically cooked in stir-fries or used raw in salads – its sharply serrated, bright green leaves look great in any salad bowl.</p>
 <p><b>RUBY STREAKS LETTUCE</b></p>	<p>Ruby Streaks radiant, deeply serrated leaves have a delicate texture and mild, sweet mustard flavor. Perfect for livening up salads, and steamed or stir-fried dishes.</p>
 <p><b>BASIL HERB</b></p>	<p>Also known as the “king of herbs”, basil has a sweet, strong aroma and flavor.</p>
